Staying in Touch

from Kathy Sullivan

Ah, springtime. For many of us, it's a time for us to start getting back outside after months of being cooped up inside. For all of us, no matter where in the country we live, it's a time for airing out the house, refreshing the house and sometimes, redecorating.

At QLT Consumer Lease Services, spring is the perfect time for us to refresh our commitment to all of our customers by sharing our pledge to always provide quality products and convenient and exceptional service. Remember, your leased product(s) is completely covered by all the Lease Service Benefits. With our Unconditional Replacement Policy, your leased phone will be replaced, no questions asked, no matter what. Are you painting the kitchen a new color and want a new phone to match? No problem. Just call us and place an order before 6pm ET (Monday-Friday), and you will receive the replacement with our Next Business Day Delivery at no additional cost.

Spring is also a great time to clean out your medicine cabinet. If you're hesitant to dispose of medicine because you are worried about the cost of replacing what you have, we've got you covered. Take advantage of our popular and FREE *Lease Rewards*® card, available to you just for being a valued customer, and you can save on Prescription drugs and Vitamins as well as Vision care and Hearing care.
